

ACCOUNTANTS, BUSINESS & FINANCIAL ADVISORS.

You will soon be able to complete and lodge interactive forms on the office of state revenue website. The interactive forms will only require you to enter information which is relevant to your specific circumstances. This will make it easier for you to complete and take less time to process the form.

CHANGES TO PAYROLL TAX LODGEMENT

In the future there will be no June statement to lodge for payroll tax. The June period will be integrated with the annual return due on the 21 July 2009. All previous forms can be accessed through the forms tab and there is now the option to save the form when it is not ready to be submitted and access it later.

Registration

Registered self assessors for payroll tax will automatically be transferred to OSRconnect which will be replacing both duties online and online payroll tax system. Any details can be updated through this online service. Cancellation of registration is also a function of this online service when ceasing business or merging business with another firm. New clients may register online.
